Important Recreation Supports Voucher Information

The Recreation Support voucher program helps individuals with developmental disabilities of all ages to equally access on-going & organized community recreation programs by providing funding for a support provider to meet their personal care needs.

ABOUT THE PROGRAM

- This is a voucher program for a support provider for an individual accessing community programs. Voucher: this means the Recreation Council will reimburse the recreation support provider after the support has been provided. Support Provider: someone who assists in personal care needs as defined by the American with Disabilities Act (see below).
- For invoicing purposes, The Recreation Council will provide the family/participant with vouchers. The family/participant will then give the support provider (s) a blank payment voucher for invoicing the Recreation Council on a monthly basis. Participants of this program will be required to sign-off on the voucher in order to verify usage of the support provider's services. The payment voucher must be submitted within 60 days of service. The Recreation Council will track all service hours used and keep participants informed as needed.
- To learn more about recreation programs, visit www.recreationcouncil.org and check out our various publications and/or call our office at (314)726-6044.

HOW IT WORKS

- If/When your application is approved, you will receive more detailed information & blank voucher invoice forms.
- The Recreation Council will reimburse the provider based on the hours on the voucher invoice <u>after</u> the participant has attended his/her recreation session or at the end of each month. The parent or provider must submit our voucher invoice forms within five days after the end of each month in order to be reimbursed for their services in a timely fashion.
- Individuals may apply for service hours starting at eighty (80) hours, at a reimbursement rate to the support provider of \$8.00 per service hour. The hours will be allocated based on the usage rate of the program. Any hours not utilized during the quarter indicated will be returned and allocated to others on the waiting list.

TO BE ELIGIBLE

- The program must be an on-going, organized community recreation program which includes people with and without disabilities.
- Funds are available to St. Louis County residents with developmental disabilities of all ages residing in their natural homes who have personal care needs and wish to participate in organized , on-going community based recreation programs.
- Funding priority will be given to individuals with developmental disabilities who reside in their natural home and/or a PLB ISLA funded residential program (other applicants will be reviewed on an individual basis).
- Usage of this voucher program would include accessing recreation/leisure programs which are inclusive and not mandated by the Americans with Disabilities Act (ADA) to provide personal care assistance to participants; or programs not receiving funding from other sources to provide personal care assistance to their participants.
- Personal care assistance is defined as needing assistance in one or more of the following areas: a) dressing; b) toileting; c) grooming; and d) feeding as defined in the ADA. This service would not include assistance with mobility (i.e. pushing wheelchairs), or support for individuals with high behavior support needs, and such, unless the recreation provider and the family can demonstrate that the individual needs a specialized provider which without this assistance the participant could not access a community-based recreation program. This option and others will be reviewed on an individual basis.
- A Service Hour is defined as one hour of face-to-face support by provider to participant in order to participate successfully in community recreation program, at a reimbursement rate of \$8.00.
- It is the responsibility of the family/individual with a developmental disability to secure the support provider. The support provider should be at least 16 years of age and not reside in the participant's home. The Recreation Council merely serves as the payee of these funds. We do not provide screening, selection, or training of the support provider, nor will the Recreation Council be responsible for the actions of the support provider. For the welfare and safety of the participant, the Recreation Council strongly encourages participants to obtain a criminal background check through health.mo.gov/safety/fcsr/index.php We will reimburse for one-time background checks up to \$10.

If approved, you will be sent a copy of your client rights & responsibilities as well as our grievance policy. *The availability of this program is based on a first-come, first-serve basis for completed applications*
